Our SAFARI here is manifold. First and foremost, of course, in school our quest is for knowledge in the hope it leads us to wisdom and adequate preparation for our adult lives in an increasingly complex world. Here, however, secondary aspects become of extraordinary value, so at the very beginning of our SAFARI through our school year, we should like to express our gratitude to our host, an enlightened monarch who in the face of continued criticism grants our residence here in his own anxiety to aid his nation's advance into modern times, thusly affording us the unique educational and inspirational opportunity to view ancient history (as at Axum, upper right), religious marvels (the rock churches at Lalibela, lower right), geographical wonders (like the Blue Nile Falls, lower left), and bustling modern cities (our "home", Asmara, upper left).

Our SAFARI here is made possible by the presence on Ethiopian soil of Kagnew Station, hub of a communications facility involving the three branches of the U. S. Armed Forces. The post itself, an Army installation commanded by Col. William F. Malone (above), provides logistical support for our school under the supervision of Schools Officer Maj. Harold W. Wheeler (right), with the assistance of School Supply Officer 2nd Lt. Robert A. Griffin (below left) and School Supply Clerk PFC Stanley D. Kielkucki Jr. (below right).

ADMINISTRATION

Supervisor of the elementary school lunchroom, buffer between irate parents and teachers, paddler and expeller of recalcitrants, signer of the faculty payroll, parliamentarian for the PTA--there is certainly not room enough over the door to show all the duties attendant to being our Principal, Mr. John S. Marshall.

Grandmother to some back home, Mother Confessor to all (students and faculty alike) here, administrator of tests (or player of the Alphabet Game--PSAT, NMSQT, ACT, etc.), instructor in Educational and Career Planning, stand-by principal should Mr. Marshall be gone, somehow ever-smiling, always available and ready with the right word--our Guidance Counselor, Mrs. Gladys Mowrer.

Telephonist, receptionist, file clerk, treasurer, bookkeeper, reports clerk, stenographer, typist, baby-sitter to students thrown out of class awaiting Mr. Marshall, mail clerk, registrar, supervisor of office assistants, late pass clerk, doughnut-provider, and mother of four--our miraculously never-rushed and always cheerful School Secretary, Mrs. Jean Parker.

An Active Student Council

In addition to sponsoring a hayride, Bermuda Shorts Day, and several dances, the Student Council, energetically sponsored by Mrs. Anderson, initiated a Student Store, for which Mr. Dickinson and members of the Industrial Arts department built a handsome tukul retail shop.

Col. Malone cutting the ribbon officially opening the Student Commons--one of the major Student Council projects of 55-56.

Not every safari bags an elephant, or a lion, or even a gazelle, but regardless of outcome, it remains forever a memorable adventure to each of its participants. Perhaps your 65-66 school safari netted no A's, or B's, or even a date to the Senior Prom, but surely the year's experience brought you knowledge, friendship, and a sense of the adventure of life and people. Our book is dedicated to pictorially preserving this time, and we hope that wherever you safari in this our life you carry forever the memory of this happy year.
